

## The evo system™ ES Series™ Hospitality Solutions

Introducing the evo system™ ES Series™ Hospitality pre-configured solutions; an award-winning product series designed to address the issues surrounding a successful installation of flat panel televisions and their surrounding components. The revolutionary space-saving design is perfect for any audio/ video display area, even a desk scenario.

**ORGANIZED  
INSIDE**

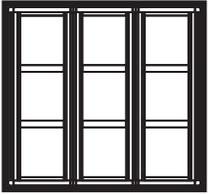

**CLEAN  
OUTSIDE**

### THE EVO SYSTEM BENEFITS

- **Reliable installation** into walls not originally built for flat panels
- **Sound absorption** significantly increased to adjacent rooms
- **Hides all wires** connecting components neatly behind panels
- **Wall Brackets** support 250 lbs. each and can be centered on studs
- **Distribution of power** over existing outlet without requiring an electrician
- **Minimize downtime** in retrofit and upgrade applications; translates to dollar savings
- **Enhances décor** by adding a true furniture quality appearance
- **Green product** manufactured with highly recyclable materials
