

**Vantage Point's avComplete™**

The sleekest, fully functioning A/V solution for guest rooms.

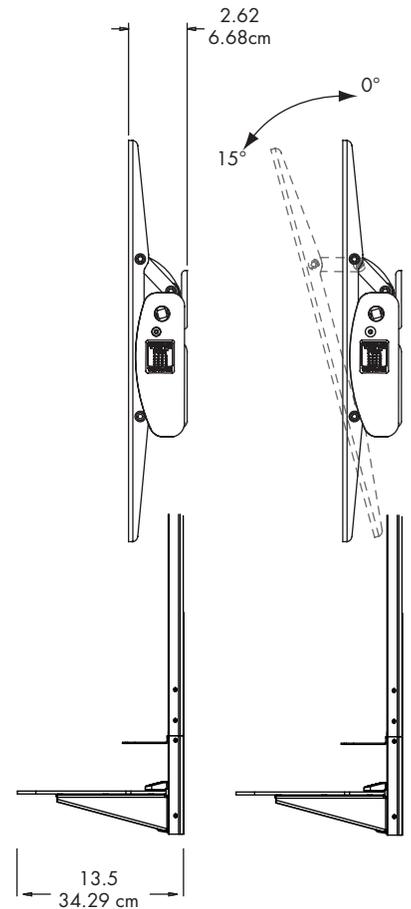

The avComplete™ is Vantage Point's version of simplicity for the mounted Media Hub. Unpolluted by messy wires the avComplete™ is a clean and clear way to mount a space saving system. This all-in-one unit includes a flat panel mount, sleek wire management channel, and component shelf. The shelf is designed with tapered brackets creating a floating appearance and is a convenient home for all portable devices when connecting to the hub.
